PEOPLE

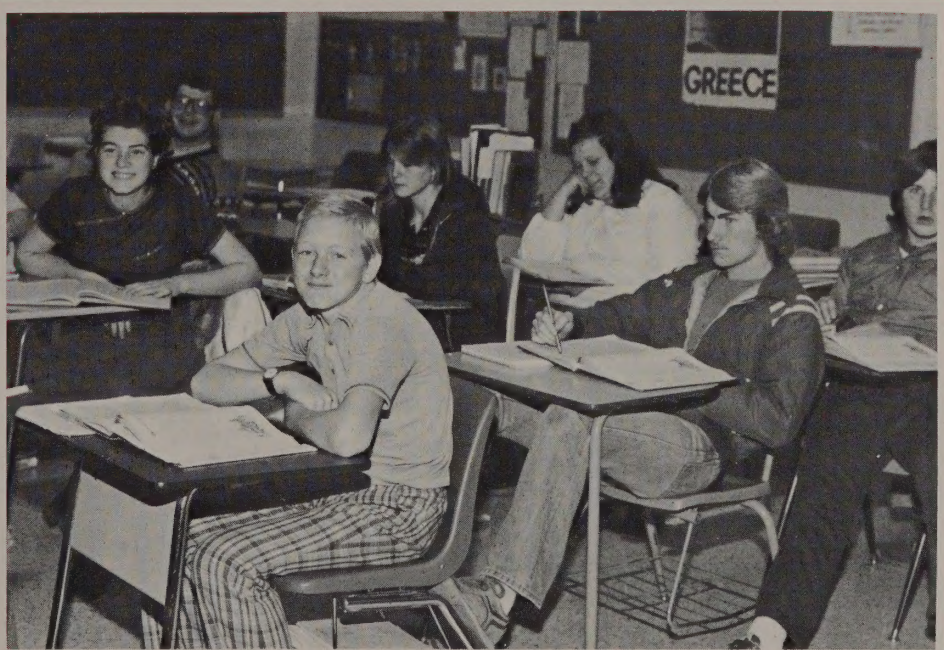

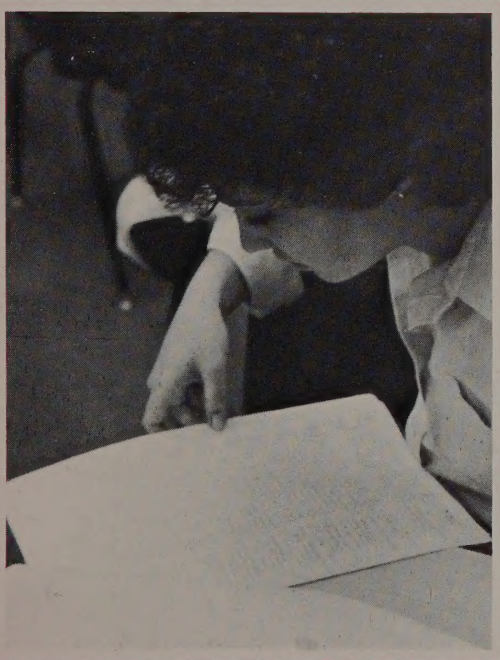

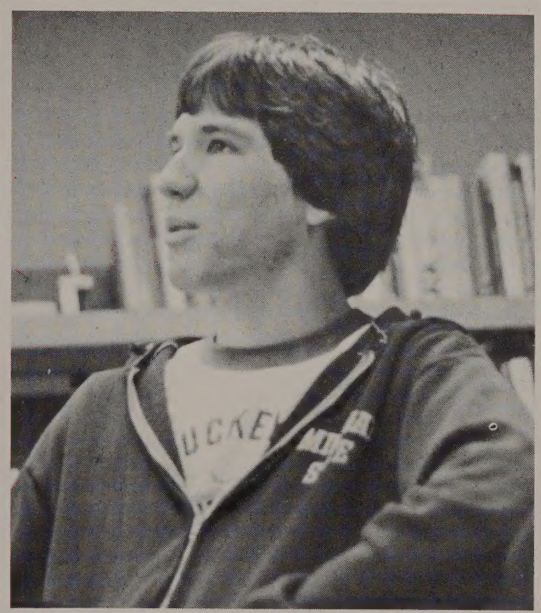

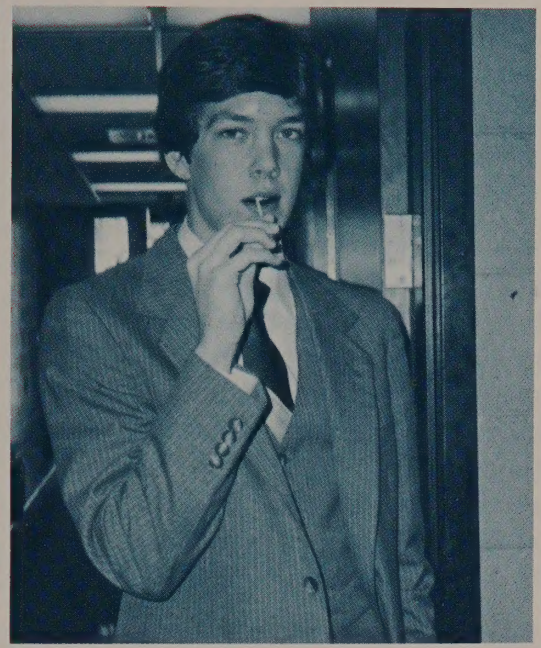

Marysville High School is more than just the bleak brick walls and drab paint of which it is made. Marysville is people. People like Mrs. Cary and Mr. Shipp, who have been here so long that they are already teaching the children of their previous students; or like Pam Jones who is trying to meet her Art deadline, or like finding new little critters in the yard during biology class. These are just a few of the people that make up M.H.S. . . . A school . . . a place where we grew and learned and lived in this — The year of the Monarch.

Seniors graduating this year were fortunate enough to be the first class required to take a course in economics. In addition to learning about inflation, recession, and fiscal policies, students "played" the stock market for bonus grades. Some "investors" probably would have gladly forfeited their grades if they could have changed their imaginary profits into real currency.

Video game addicts came out of the closet this year when the school purchased four new computers complete with games. The games were locked up, however, when Mr. Honaker discovered the students were playing them instead of doing their Computer Math assignments.

Studying at MHS is done in many different ways. There is serious studying and humorous "studying." Some students are ostracized and must study in exile, while others study in large groups while nibbling on the great food found in the cafeteria.

Halloween brought an interesting array of clowns, football players, soldiers, bums, and a few assorted freaks, among other things into the school. Pep Rally themes, such as "Hair Day," "Hat Day" and "Farmers Day" also allowed the students to display their creativity.

**SPECIAL
EVENTS**

SCUBA DIVING IN THE BAHAMAS

During Thanksgiving break, a group of dedicated biologists traveled to Andros Island, Bahamas; for an educational vacation. Traveling by bus and plane, the group known as the Scuba Club arrived on the island two days later. This tropical paradise proved to be the ideal spot for the Marysville divers. The group saw underwater life ranging from the harmless conch to the voracious barracuda. Dives ranged from snorkle dives of less than five feet to reef dives of forty feet or more. To cut costs, the group subsisted on "open fire cooking" and "salt water cleaning." For the most part, bathing took place in the ocean. One day was spent touring the island and studying native life. Overall, the group learned much about ocean life, tropical life, nature life and themselves.

SENIOR CLASS PLAY

DEATH BY ARRANGEMENT

This year's Senior Class Play was David Albert's "who-dunit" mystery, *Death by Arrangement*. The famous detective Benson, played by **Trevor Gregg**, came to the scene of the crime to find Mr. MacKenzie's murderer. Was it Mrs. MacKenzie or Mr. Christopher, portrayed by **Michelle Williams** and **Jeff Tiedt**, who were having an affair behind Mr. MacKenzie's back? Was it **Charlie Finlay's** character Dr. Mallory, who Mr. MacKenzie was black-mailing? Perhaps it was Mr. MacKenzie's mistress, Allison Hume, whom **Linda Schulski** portrayed. Other suspects included **Linda Cole** and **Grace Hall** as the Walker sisters, **Patty Skidmore** as the housekeeper Mrs. Owens, **Janet Oberlin** as the naive housemaid Elizabeth, and **Nathan Hamilton** as Inspector Dearborn. The mystery baffled Benson until the real Inspector Dearborn, played by **Cathy Allen**, appeared and the imposter was taken away. Benson left, satisfied he had the murderer while the real murders, the other suspects, celebrated their triumphant "killing."

TROPICAL PARADISE

Prom — 1982

This year's Junior class worked with ambition to create a Superior Junior-Senior Prom. Several profit making projects were instituted to produce the money needed to sponsor the prom. A computer dating service for Valentine's Day proved to be the most popular and profitable project of the year. Calendars and Christmas decorations were also sold within the school and community to raise added funds. All profits from the money-making projects went towards transforming the gymnasium into a "Tropical Paradise", the theme of the 1982 Junior-Senior Prom.

CLASSES

SENIORS

In 1982, the Year of the Monarch, the Senior class led the school with its spirit and pride. Starting with football season and continuing into basketball season, the seniors overwhelmed the other three classes by winning the Spirit Stick at every pep rally but one. The Seniors also won the locker mall decorating contest for both football and basketball Homecomings.

Individual members of the Class of '82 showed their spirit by forming smaller pep groups. The Kazoo band, a group of senior boys who performed the kazoos at pep rallies, and the Pit, which cheered on the basketball players, showed the underclassmen that the Seniors were strong supporters of MHS. Besides displays of spirit, the seniors had other outstanding accomplishments in music, athletics, debate, and academics which proved that the Class of '82 was one of the best classes ever at MHS.

JUNIORS

President — George Scheiderer
 Vice president — Scott Draudt
 Secretary — Janet Teets
 Treasurer — Leah Tressler

Under the leadership of these four enthusiastic officers the Junior Class Members started their year's activities by combining their artistic efforts into building a float for the Homecoming Parade. However, they also received their first disappointment of the year when their float was not chosen as the winning one.

As the Christmas season approached the Juniors sold Christmas tree ornaments and calendars to help raise money to use for the Prom.

Their final and most important project for the year was to decorate the gym like a "Tropical Paradise" for all Juniors and Seniors to enjoy the biggest event of the spring — the 1982 Junior-Senior Prom.

The Monarch Frosh Football Squad posted a 2 win-3 loss-1 tie record for the 1981 Season. Eric Demchak and Kip Michael led the tough defense in tackling while Kelly Eirich controlled the offense with Norb Miscovich and Bob Williams at the helm, the freshmen handled a rough season.

1981 proved to be yet another successful year for Cross Country at Marysville High. Led by Senior Captain Joe Stritmatter, the team dominated league competition to the very end. Injuries precluded a league championship, however, as the Monarch Harriers finished third.

The team fared quite well at the large invitational meets. They finished first at Watkins Memorial and Indian Lake, and 4th at London. The season highlight was a 1st place finish at the Lexington Catholic Invitational. More than 40 schools representing 3 states competed there.

The Monarch Harriers' road to the state meet was cut short with a 5th place finish at Districts. With 5 of the top runners returning, next year's season looks quite bright.

BOYS BASKETBALL TEAM

The 1981-1982 Monarchs under the leadership of Jim Kaufman, was a team which displayed great character and a sincere desire to win against the odds. In order to compete, the team had to overcome the size factor, because the CBL was exceptionally strong, sporting two teams, who were State Ranked for most of the season — Bexley in AA, and Academy in A. The team shot 46.5% from the field and 68.1% from the foul line. The best team efforts came with a 1 point loss to Bexley at Bexley, a game in which the team trailed by 11 at one point in the 4th quarter. The happiest moment was the emotional victory over Fairbanks in front of the home crowd to close out the regular season. The Monarchs also posted the first tournament win in four years by devastating Madison Plains 79-54.

The 1982 Monarch Baseball Team had a season that ranged from the "Thrill of Victory to the Agony of Defeat." Starting the season with a bang behind the hitting of John "Slugger" Wall (who led the league in home runs) and the pitching of Lefty Nathan Hamilton, the team soared to the second place standing in the C.B.L., battling State Champion Academy for the top spot.

The second half of the season, however, saw the team slide to a fifth place finish that was exemplified by their last tournament game against top seeded Briggs. Leading the favored Briggs team in the seventh inning by a score of 9-1, the Monarchs allowed their opponents to score 9 times in the bottom of the inning to lose 10-9 — a disappointing end to an up and down season.

ORGANIZATIONS

MONARCH MARCHERS

THE 1982 MARYSVILLE MARCHING BAND IN FORMATION

The backbone of any high school band program is the Marching Band and this years edition proved once again that all Marysville residents could be justly proud. Residents saw the band performing at all football games as well as the Memorial Day, Christmas, Homecoming, and Independence Day Parades. The band has participated for several years at the Circleville Pumpkin Show and this year was no exception. As the rain came down the Mighty Monarchs played on. Twice the Marching Monarchs traveled to the Honda Plant — once for the Grand Opening and once for a show of the Honda motorcycles. The band is a major part of the high school and an important part of the community.

A new addition to the organization this year was the addition of a second field commander and the addition of three majorettes. The members are pictured by sections below.

FIELD COMMANDERS: Nancy Nicol and Rhdawnda Caldwell

MAJORETTES: Rita Roychoudhury, Luanne Howsman, Kelly Gallogly, Stacy Addams, and Trudy Wyeth.

FLAGETTES: Darlene Johnson, Kathy Jewell, Phyllis Myers, Ann Morton, Susan Smith, and Michelle Nicol.

TRUMPETS: Back row: Laura Myers, Scott Wyse, Craig Sparks, Jane Irwin, Steve Cooper, Marc Kasler, Carl Craver, and Ron Cole. 2nd row; Cheryl Hutchins, Chris Stephens, Lois Weaver, Malcolm Rausch, Patty Skidmore, Dave Anderson, Johnna Smith, and Lori Green. 1st row; Tim Blumenschein.

BARITONES: Amy Garbrecht, Linda Cole, Edgar Scheiderer, and Andy Huey.

CLARINETS: Shannon Sedgewick, Deanna Griffith, Sally Griffith, Debbie Cross, Robert Andrews, Lisa Wietelmann, Melissa Morse, Patricia Addams, Debbie Johnson, Darlene Newland, Kendra Reed.

Leading the band are always the TROMBONES: Jeff Adams, Amy Pfarr, Todd Hellwarth, Tami Gregory, Doug Bushong.

DRUMS: Standing, Alan Ohnsman, Tim Jones, Mike Masters. Kneeling: Tom Anton, Lori O'Brien, Tracy Foughty, Jeff Dupper.

SAXOPHONES: Amy Bell and Michelle Stillings; Dan Drake, Kevin Troutner, Jack Shoemaker, Alan Henman, Brent Raines.

The last section of the fabulous Marching Monarchs the Flutes Last in order, but first in spirit are: First Row, Heidi Pterman, Liz Vogt, Shelly Spurling, Jill Taulbee, Lori Bischoff, Julie Jackson. Second Row, Cathy Croy, Alethea Hines, Andrea Cullman, Cindy Pinson, Annette Harris, Leslie Lamb, Tamara Morgan.

LuAnn Howsman gets a good luck kiss from the M.H.S. mascot before she goes on the field for the Bexley game, and Kelly Gallogly leads the band onto the field for another of the entertaining halftime shows.

Preparing to go onto the field.

Alan Ohnsman cuts up before the game.

THE PEP BAND

The pep band is organized to play for every basketball game and for each pep rally throughout the year. The Monarch fight song is their favorite but some members don't play — they just cheer — note Cherri McCleery and "Tootie" Caldwell in the front row. The game would be incomplete without the spirit generated by the Pep Band.

THE JAZZ BAND

In the second year of existence the M.H.S. Jazz Band became more adept and competent. Performing at concerts held in the spring of the year the Jazzmen were well accepted by the audience. They were a welcome addition to the Marysville Band Program.

The band room gets hot in the spring so Mr. Day moves practice to the outside.

THE CONCERT BAND

Another part of the band program is the Concert Band and Wind Ensemble. During the winter months band members divide into one of the two groups where they practice for district contest and the two traditional spring concerts. Selections are learned from all musical areas and performed before receptive audiences. Some members like David Fletcher, Anne Smith, Julie Andreas, Mary Ann Scheiderer, Rodney Hesson, Susie Holloway, Beth Howard, Jeff Rea, and Susan Scheiderer participate only in Concert Band. Freshman dominated the 60 member Concert Band in this rebuilding year which indicates continued improvement in the years to come.

THE WIND ENSEMBLE

The largest crowd to watch the Concert Band and Wind Ensemble comes to Graduation. Over 5000 people enjoy the performance of these young musicians.

MHS CHORAL GROUPS EXCEL IN PERFORMANCES

Under the direction of Mrs. Dolores Winters the Marysville Choral groups performed for the community, entered state contest and served the school equally well. The Mixed Choir was organized in the fall and was the first to perform. The Fall concert was held in November to the delight of all who attended. The Mixed Choir is composed of students from the Sophomore, Freshman, and also the eighth grade classes.

In December the Symphonic Choir, which is composed of all Juniors and Seniors who wish to join, hosted the Madrigal dinner. Here the guests were treated to a great roast beef dinner and some great Christmas music.

Both the Sophomore and the Symphonic choirs were entered in the District Choral Contest and both groups received superior ratings which advanced them to the State Contest at the University of Dayton.

In the spring the Mixed Choir started a new tradition by having an ice cream social at the school, the highlight of which was a special show by the Swing Choir.

The Swing Choir is the top group in the chorus department. Throughout the year they performed for several groups around the community and were always well-received. In May they traveled to Coshocton for the State Swing Choir competition where they placed first runner-up.

All in all 1981-1982 was a great year for the singing Monarchs.

The Varsity Debate Team logged more than 8000 miles this year to compete against teams from almost every state in the Union. Competing in the Western Ohio Forensic League the local debaters compiled an impressive 122 won and 48 lost record for an 81% win average. The Monarch Varsity made the finals in all but two of the tournaments they entered and topped off the season by winning the N.F.L. District Tournament which qualified them for the National Tournament held in San Francisco. The team of Charlie Finlay and Laura Wimmers advanced to the final rounds in tournaments at Wooster, Toledo St. Francis, and Pittsburgh Central Catholic. David Vance and Charlie teamed to reach the finals at Akron St. Vincent-St. Mary, Canton Central Catholic, Cincinnati Princeton, and Emory University. Cathy Allen and Laura were the Sweetheart team at C.C.C. and teamed to defeat top seeded St. Francis in the District Tournament — not once but twice. This made it possible for Charlie and David to win the tournament and advance the team to Nationals.

FUTURE HOMEMAKERS OF AMERICA

The F.H.A. members began their year by serving a Retired Teachers' Banquet and with a cookout held at the home of Suzie Ackley. The chapter also attended both District meetings. One of these was a social held in September and the other was the District rally held in November. At this event Laurie Henderson, on the slate for District Representative, was chosen as first runner-up. Laurie Printz was elected to the office of recreation leader.

During the holidays at Christmas and again at Valentine's Day the girls took cards to Union Manor. Also in the month of February the chapter sponsored a "Pretty Legs Contest" in conjunction with their FHA Week. The money made from the contest was sent to Children's Hospital.

In March they attended the Regional Rally and finished their school activities for 81-82 with the annual banquet.

The following members were honored at this event with Scholar Awards: Freshman Becky Converse; Sophomore Angie Stierhoff, Junior Barbie Bumgarner, Senior Connie Rausch.

Outstanding members for the year were: Freshman Denise Whitmore, Sophomore Laurie Printz, Junior Paula Rausch, and Senior Connie Rausch. Chosen as best overall was Laurie Printz.

The Marysville F.F.A. continued its distinguishing ways during the 1981-82 school year. The chapter was recognized as a National Gold Emblem Chapter at the National F.F.A. Convention in Kansas City. This award is given only to the top 150 chapters in the nation out of 7000 participating. The chapter also was successful at the State F.F.A. Convention by being chosen one of the top ten chapters in the State out of 386. Individual members were also recognized — David Wickline placed first in the State in Turf and Landscape; the Entomology team of Kent Grose, Pat Thornton, and Connie Cullman placed first with Kent Grose being chosen the first high individual. The chapter had four State Farmer Degrees and had two members as State Officer Candidates. At the 1982 chapter's annual Parent-Member banquet over 400 parents, members, and guests attended. At this banquet special awards were presented to Connie Cullman — the State Greenhand, Dottie Gordon — Star Sophomore, Wes Leeper — Star Junior, Senior, Laura Stiles — Star Agribusinessman, Doug Bushong — Star Chapter Farmer.

The school year ended with the members parking cars for graduation and helping with the Fairgrounds Landscaping. If there was a job to be done the F.F.A. was "willin" and able, maintaining their position as the top service organization in the high school.

John Collier and Eddie Holbrook prepare for the pumpkin sale to earn money for the club's annual donation to Children's Hospital.

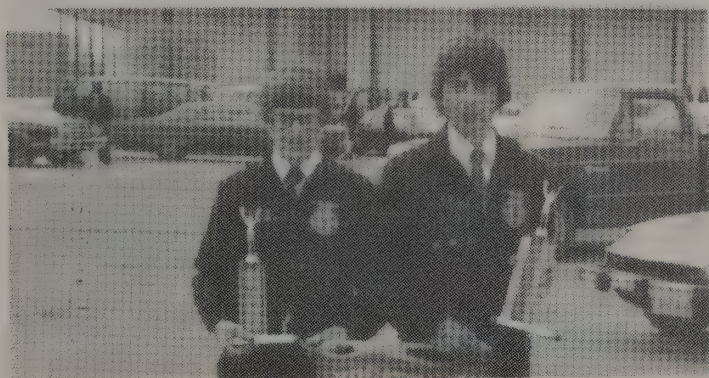

Kurt Guenther presents a program on Fire Safety to the Middle School student body.

The timber crusing and lumber grading team display thier their award plaque won at the State Convention. Left to Right: Greg Wells, Duane Marsh, Jeff McFarland, and Pat Thornton.

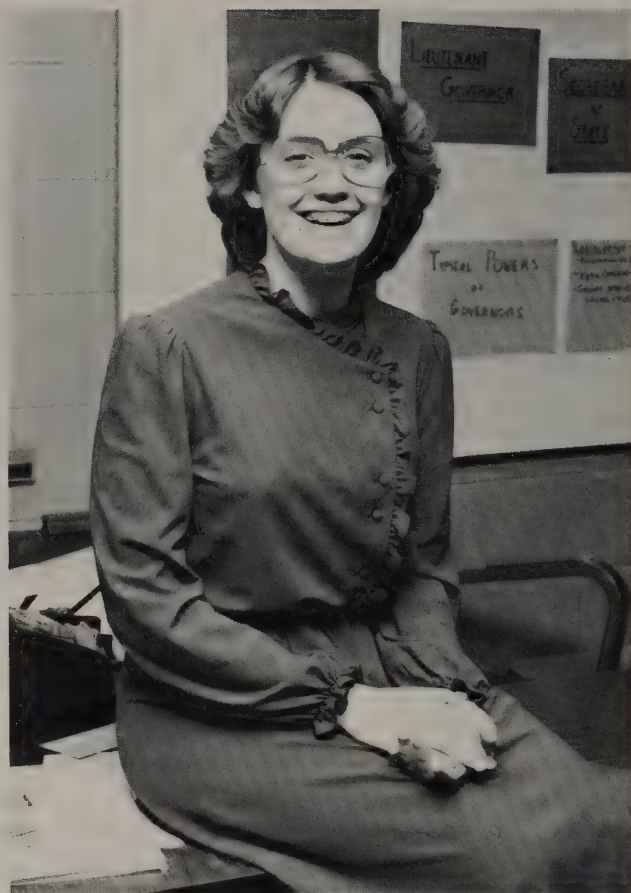

Wide awake at 5:30 A.M., several members board Amtrak to attend the Chicago Board of Trade.

Pat Thornton and Kent Grose were first in the state in the Entomology Judging.

YEARBOOK STAFF

Each year we gather together and try to produce a yearbook of which the students attending Marysville High School and the entire community can be justly proud. It is a big job encompassing many hours of work and much consternation. We realize that we have probably made some mistakes. We have probably left someone or something out of this book. If so, we are truly sorry and assure you that any oversight was not intentional. We hope you enjoy what we have included in these pages.

Patty Skidmore, Editor of the 1982 Yearbook

Freshmen got experience in producing the book. Their biggest problem was in getting pictures taken. Here Susie Cooper and Connie Contini work on Prom pages while Bethany Barnes and Anne Smith choose pictures for the Freshman section. Bethany and Anne also were in charge of ordering the books and getting the names printed on the covers.

Cathy Allen was in charge of the Academics section.

The Special Events section was done by Linda Schulski and Susan Smith. They had help from Dawn Shoemaker, David Vance, Elizabeth Balam and Jim Koper.

President Chris Zorman was late for the ceremony but gave a rousing welcome when he arrived.

Vice President Patty Skidmore pinned Trevor Gregg as he became a member. That "OUCH" was heard because she stuck him again. Poor Trev!

The National Honor Society is a select group of Sophomores, Juniors, and Seniors who are chosen by the faculty. Each spring candidates are screened according to grade point average: 3.6 for Sophomores 3.3 for Juniors, and 3.0 for Seniors. Students are then required to submit essays showing how they exhibit character, leadership, scholarship, and service. After the inductees are selected, they are sworn in at a formal induction ceremony. In early May the National Honor Society goes on its annual outing to the Reds ball game in Cincinnati with chaperones Mrs. Westfall, Mrs. Cary, Mrs. Baldrige, Mr. Edgar, Mr. Shipp, and Mr. Pleasant. While NHS members are supposed to be studious they enjoy getting out of school for the baseball game.

New members inducted from the Sophomore Class were Leslie Reuss, Chuck Gould, and Stacey Schimmel.

Junior members are: Karen Hyland, Valerie Ohnsman, Jill Wilkerson, Janet Teets, Melissa Morse, Elizabeth Balam. Second Row: Pat Thornton, Kevin Blessing, Mike Baird, Kevin Andrews.

Janet Teets signs the "Register of Induction" after she formally becomes a member.

THE STUDENT COUNCIL

The Student Council is responsible for most of the events that take place at M.H.S. Meeting at least once a month and often many more times than that, the Student Council arranges such things as Homecoming, Christmas festivities, Halloween, the basketball dance, the Prom and after party. Mr. Pleasant is advisor to the group and has lively discussions about many of the decisions made by the Administration. The Council is composed of the class officers, shown in this picture kneeling, and representatives from each class, shown standing.

In the front row are the class presidents: Trevor Gregg, Senior; George Scheiderer, Junior; Kelly Baker, Sophomore; and Lisa Wimmers, Freshman. Kneeling behind them are the other officers: Brian Baldrige, Lois Weaver, Karen Hay, Seniors; Scott Draudt, Leah Tressler, Janet Teets, Juniors; Laurie Printz, Leslie Reuss, Chris Mitchell, Sophomores; and Sally Seitz, Jeff Fisher, Becky Kern, Freshmen. With the strength exhibited on the football field several members decided that the Seniors, Sophs, and Frosh were just not enough competition so they challenged the O.S.U. Buckeye to a contest. The Buckeyes were so scared they refused to play. Oh well — there are always the Bengals!!!
